Amendments to the Claims

Please amend the claims without prejudice, as follows and consider the subsequent remarks/arguments. This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims

- (Currently amended) A method for initiation of an agreement utilizing a network, comprising:
 - (a) allowing a buyer and a seller to negotiate terms of a trade utilizing a network, wherein on-line term negotiation forms may be traded via a network as buyer and seller negotiate a transaction;
 - (b) receiving from the buyer the form indicating the terms of trade utilizing the network;
 - (c) receiving an identifier from the buyer utilizing the network;
 - (d) sending the form to a bank for assessing the credit of the buyer utilizing the network, wherein the bank to which the credit application is sent is based on the identifier;
 - (e) forwarding the form to the seller along with the assessment of the credit of the buyer utilizing the network;
 - (f) allowing the seller to digitally sign the form utilizing the network;
 - (g) receiving the digitally signed form from the seller utilizing the network;
 - (h) transmitting a notice to the buyer indicating that the digitally signed form has been received from the seller, thus Initiating the agreement; and
 - (i) verifying the credit of the seller utilizing the network.
